

ABOUT THE CONFERENCE

Please join us for the 72nd Annual Associated Taxpayers of Idaho Conference! As the kick-off to the 2019 legislative session, this conference is a can't-miss event.

The Conference Planning Committee has arranged an extraordinary group of speakers who will cover topics important to the Idaho taxpayer, such as:

- economic development trends
- changing tax policy
- upcoming legislative initiatives

We will provide a preview of the challenges and opportunities the Idaho Legislature will face during this season's session.

Over 500 legislators, local elected officials, government entities and business leaders attend every year. The conference is a great forum for gaining a broader appreciation of each other's concerns and understanding of our responsibilities.

Join us on **Wednesday, December 5th** to learn where we, the State of Idaho and Associated Taxpayers of Idaho, have been and more importantly, where we are headed!

Sincerely,

Christine Nims, Chairman of the Board
